Continuation of 2. NOTE: Applicant has added a claim directed toward a method, wherein air the previous presented claims were directed toward compositions. The addition of such a claim will require further search and/or consideration..

Continuation of 5. does NOT place the application in condition for allowance because: a) the 35 USC 112 and 103 rejections are maintained for reasons of record in the Office Action mailed 5/7/03, Paper No. 16; b) Applicant argues that there is not motivation to combine the references. This argument is not persuasive. As pointed out in the previous Office Action, it is obvious to combine individua compositions taught to have the same utility to form a new composition for the very same purpose.
